Dedication

Mrs. Susan DeLuca

In recognition of her commitment to both educating us and helping us grow into better people, the members of the Class of 2002 would like to dedicate this yearbook to Mrs. Susan DeLuca.

During her years at Tri-County, Mrs. DeLuca has demonstrated her pride in her profession as well as in her students. Many of us approached her class with apprehension at first, but her dedicated method of teaching allowed us to stretch beyond anything that we had believed we were capable of achieving.

For this chance to reevaluate our capabilities and for all of her support and encouragement, we, the members of the Class of 2002, express our gratefulness in the dedication of our yearbook. May we all grow to prove ourselves worthy of her belief in us.

A message from the Superintendent-Director

Mr. John M. Jones

To the Class of 2002,

When we hear the phrase "the competitive edge" we are usually reminded of sporting events where one team may have a distinct advantage because they are playing on their home field or home court. That advantage, or course, is nothing mysterious since the home team has reaped the benefit of constant practice or training in the environment in which the game is played. In any endeavor or activity familiarity always provides a distinct advantage.

So it is that we say that vocational graduates always enjoy the competitive edge in whatever your choice of career may be because, unlike many other high school graduates, you are very familiar with the work environment. Not only have you attained the necessary skill to do whatever your job demands, but additionally you have learned well how to succeed and progress in the workplace. The realization that one must follow directions, subscribe to rules and regulations, be respectful to others, maintain good attendance and respond promptly are habits that you have developed after four years of practical experience at Tri-County.

The great majority of your competitions in the workplace will not have had that advantage and will need to take valuable time to master practical skills and to practice favorable on-the-job behaviors. They will not enjoy the advantage that you have because, until graduation, their learning had been strictly theoretical and the workplace will be new to them. Whereas, your familiarity with the entire scope of the work environment makes it your home court – and therein lies the competitive edge – please use it to your advantage.

Congratulations and on behalf of all faculty and staff at Tri-County – thank you for having been with us.

Sincerely,

John M. Jones
Superintendent-Director

A message from the Principal
Mr. Peter H. Rickard

To The Class of 2002,

As graduates of the Tri-County Regional Vocational Technical High School you should be well prepared for the future. Our best guesses as to just what challenges you will face over the next fifty years may or may not be on target, but as you look back on your high school days you will know if you learned your lessons well. You'll know if you have had the skills to seek and retain employment. You'll know if you've had the ability to communicate, to compute, and to function as a contributing member of our society. These are the goals which our school community has established. You, the members of the Class of 2002, will determine if we have succeeded.

Knowing you as individuals, I am confident that you will be successful. You must define what your success will be and the criteria which you will define success, but I am confident that you have been given the ability to do so. I congratulate you on the completion of your high school education and wish you the best as you move ahead.

Yours truly,

Peter H. Rickard
Principal

A message from the Officers of the Class of 2002

It is hard to believe that it is time for graduation already. It seems like just yesterday that we were taking our first steps through the front doors of Tri-County. During the past years we have discovered who we are and have made many friendships that we will cherish forever. The memories we have shared will hopefully last a lifetime.

We will always remember the Class of 2002. Thank you for allowing us to serve as your graduating class officers. Remember, *"Dream as if you'll live forever, live as if you'll die today."*

Sincerely yours,

Cheerleading

The 2001 Fall Cheerleading season was full of excitement. The sixteen girls were led by senior captains Tanya Ellis, Christine Walls, Sarah Thibault and Brittney Grossi. The dedication and hardwork of the team led them to a second place victory at their regional competition and fifth place finish overall. Good luck to the seniors....may they remember their high school days for a lifetime.

The season started with veterans Jay Genoa, Steve Faria and Pat Kelly returning in August. Then came Chris Herget and Freshman Keven Sanford. Finally seniors Erik Siggelkoe and Mike McHugh arrived.

The non-league meets were tough, first Blacstone Valley and then Keefe Tech, both losses.

The league dual meets were much better, the team was 5-0 going into their last meet against both Old Colony and Bristol Aggie who were both 5-0. The Championship race ended with an Old Colony runner taking first place and Bristol placing a runner in second.

Tri-County led by junior Steve Faria came in third, Erik Siggelkoe was fourth, Mike McHugh came in fifth, Pat Kelly was sixth and Chris Herget finished seventh. These fine performances won the championship and the banner for Tri-County.

The girls' cross country team began their season with only one veteran runner, Renee Plante. Renee was recognized for her efforts receiving recognition for placing 17th at the State Vocational Meet. Renee was also accorded recognition receiving Michael Mahon's Cross Country Racing Series MVP for Tri-County. Underclassmen Elizabeth Ceruti had an all out effort this season as well as newcomers Stephanie McKay and Kristine Ellis.

Football

Led by an outstanding senior class and a determined group of junior and sophomore players, the 2001 Cougars posted a 6-4 record. The season was highlighted with three non-league wins over Littleton, St. Clement and an overtime thriller over Minuteman Tech. League play brought three more victories over Cape Cod Tech, West Bridgewater, and Holbrook/ Avon. The team finished second in the Mayflower League.

A special thanks to our seniors Nick Barney, Dave Collari, Mike Fricker, Brenton Hennrikus, Chris Howie, Jason Mienscow, Nick Pietrunti, and our captains Orin Frost, Mike Gaudet, Mark Patterson and Billy Thomas.

Golf

The Varsity Golf Team rose to meet the challenges of the 2001 season. The players were able to bridge the gap in skill proficiencies to earn a record of 5 and 5. With this accomplishment the team earned the opportunity to play in the state sectional tournament at Foxboro Country Club achieving a tenth place finish. The TC golfers earned fifth place out of fifteen at the State Vocational Championship and placed seventh in the Mayflower League Championship and final league standings. This team demonstrated poise, patience, and perseverance resulting from individual commitment, dedication, and improvement to establish a fine record for a rebuilding year. Nick Valverde was our Most Improved player, Senior Co-captain Steve Driscoll received the Coach's Award, and Senior Co-captain David Chestercove was recognized as our Most Dedicated Payer, a Mayflower League All Star, and a Woonsocket Call Scholastic Athlete of the Week. Adam Brennan was ready to give it his best shot whenever called upon.

We thank all of our seniors for their commitment to this team and wish them well with their new challenges – your strong drive will set you up for future success!

Soccer

The 2001 Cougar varsity soccer team performed beyond expectations. Despite ending with a less than .500 season, 8-9-1, the varsity soccer team can be proud of its accomplishments. Much of the team was comprised of players who had no varsity experience, including seven freshmen. The team earned two never before achieved accomplishments for Coach Vernon's career: a tie with Westport and a win over Holbrook. The Cougar booters also proved to be effective defensively and respected in the league, giving up an average of only one goal per game. Similarly, the offense improved on last year's performance, scoring on average more than one goal per game. The four seniors, Matt Udell, Greg Ambrose, Chris Butters and Josh Tetrault, will be missed. However, considerable talent is waiting in the wings and there is a strong indication of good things to come. See you on the pitch.

Volleyball

The 2001 volleyball season started with anticipation and high expectations. Led by Captain Nikki Bertoni, the ladies worked hard to form a solid unit. The lady Cougars battled proudly, improving with each contest. By the end of the season, everyone on the squad had shown dramatic improvement in their individual performances and more importantly, showed that they had what it takes to form and be part of a competitive team. With what looked like a building season, the ladies worked to end their season almost entering the vocational tournament. The friendships we forged will forever be with all of us and the memories we share will most certainly be cherished. We bid our seniors goodbye and good luck and will take their spirit with us into our upcoming volleyball season.

The 2001-2002 Boys Varsity Basketball team finished the season with a 12-9 season record and a MIAA tournament home game. (The team was seeded 8th in the Division 4 South Section out of 14 teams.) As the regular season league games began, the team formed more team unity and were very unselfish in their play. Senior captain Billy Thomas lead the team with a total of 348 points, averaging 17 points and 7.3 rebounds a game. Mike Pizzi, Brenton Hennrikus, Nick Barney and Jake Esterly had key roles in some of the league game wins. Win or lose, the players left everything on the floor. When the team could run the fast break they were an unbeatable team. The last regular season game was as dramatic as the first time we played Upper Cape. The Cougars were losing late in the second half after having a 12 point lead at half time when inside the two-minute mark the players stepped up and forced Upper Cape players to turn the ball over and commit fouls that gave the Cougars a six point win. Congratulations to all the players on a successful season, and to the seniors who showed and demonstrated leadership on and off the court, with or without pictures.

Girls Basketball

The 2001/2002 team was under the leadership of Captain Nicole Sweet. Thirty-one girls played this season at the Junior Varsity and Varsity level. Twenty-six of those girls were from the Freshman/ Sophomore class. We certainly will be looking forward to some good seasons in the near future. Coach Andrea Chenette joined the staff this year and was a good addition as both teams improved throughout the year. The "youth" mixed with "experience" contributed to a successful year. We will miss our Seniors as they move on and wish them good luck.

In the 2002 season the Cheerleeaders were faced with a lot of hardwork, challenges, victories and heartbreaks. The winter Cheerleaders again placed second in the regional competition and second in an invitational tournament at Medway. The senior captains Tanya Ellis, Christine Walls and Sarah Thibault again led this seaon to great success. I hope the girls can look back on the memorable season and be proud of what they did. Good luck to the seniors of 2002.

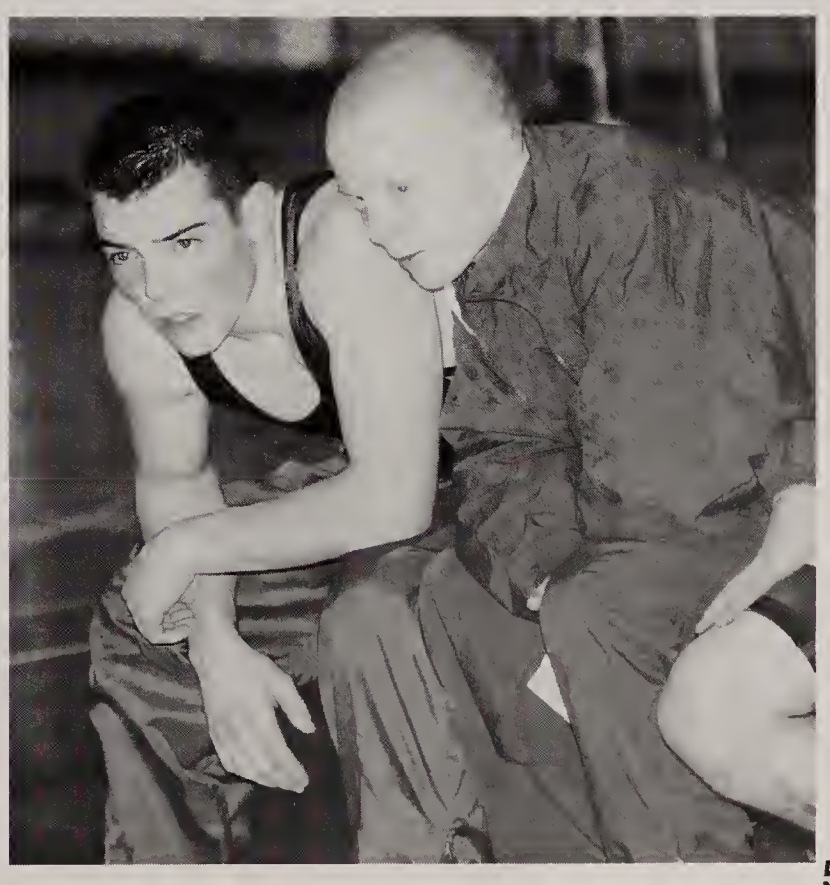
Wrestling

The Cougar wrestling team put forth a great effort this season, although their dual meet record does not reflect it. This year's team did however, set many new records for individual performance, as well as finishing a "best ever" third place at both the Needham Tournament and the Mass State Vocational Tournament. Wrestling is a very demanding sport, mentally as well as physically. Wrestlers need to be in top condition when they step onto the mat to complete, one on one with their opponent, in front of a gymnasium full of fans. The coaches were very pleased with the way team carried itself while representing Tri-County, validated by parents from other teams who went out of their way to comment on the high degree of sportsmanship routinely exhibited by our wrestlers. The graduating seniors and their families will be missed, but the underclassmen will not doubt step up and fill the void.



Baseball

Coming off a disappointing 10-12 season last year, the 2002 varsity baseball team had high expectations with five returning seniors. The season didn't go as expected as the Cougars finished the season with a 9-11 record, which kept them out of post-season play. Senior Matt Udell once again had an outstanding season as he was selected to the Mayflower League All-Star Team and was also selected as the Mayflower League MVP. Sophomore Bill Grossi was also selected to the Mayflower League All-Star team and looks to be one of the bright spots in the future. Other key returnees include Rich Pieroway, Kevin O'Connell, Brandon Salois and Ed Alger who all started this past season and look to be major contributors to next year's team. With these key returnees and a talented group of underclassmen, next year's team has strong hopes of getting back into the state tournament.

Lacrosse

The 2002 season was good for the Tri-County lacrosse program. Not only did the first year, varsity Cougars participate in the inaugural season of the newly formed Massachusetts Technical Lacrosse League, they also won the championship with a perfect 12-0 league record. The Cougars had an overall record of 15-4 and earned a playoff spot in the 2002 MIAA Boys Lacrosse Division II East Tournament. The Cougars were seeded 17th in the tournament and were matched up against the Generals of Hamilton-Wenham High School. Although the Cougars will be graduating eight seniors, the coach is confident that the team will be competitive for years to come with the help of younger athletes from the successful JV lacrosse program.

Given the nucleus of seniors Nicole Chapman, Meagan Phillips, Annie Corkran, Kristen Goulet, and Danielle Bowen, the Tri-County Lady Cougars won their second consecutive Mayflower League Championship in 2002. The team compiled an overall record of 17 wins and 3 losses. Junior Kristine Hobbs lead the team in pitching with 14 wins and no losses. Junior Sara Miller, Sophomore Melissa Connolly, Freshmen Kara Ambrose and Allison White rounded out the roster of starters. Melissa Courtemanche, Anita Ouimet, Amanda Ouellette, and Danielle Cormier proved invaluable in providing relief for the starters on the team.

Track & Field

The 2002 Tri-County track and field team finished the season on a high note. Both Girls and Boys teams worked very hard all season long. Jeanette Perkins was the first Tri-County girl to ever win an event at the Mayflower League Meet. Jeanette won the 100 meter hurdles with an oustanding time of 17.9 seconds. Final performances were given by seniors Tanya Ellis, Orin Frost, Jon Donovan, and Nicole Sweet. These seniors will be missed next season

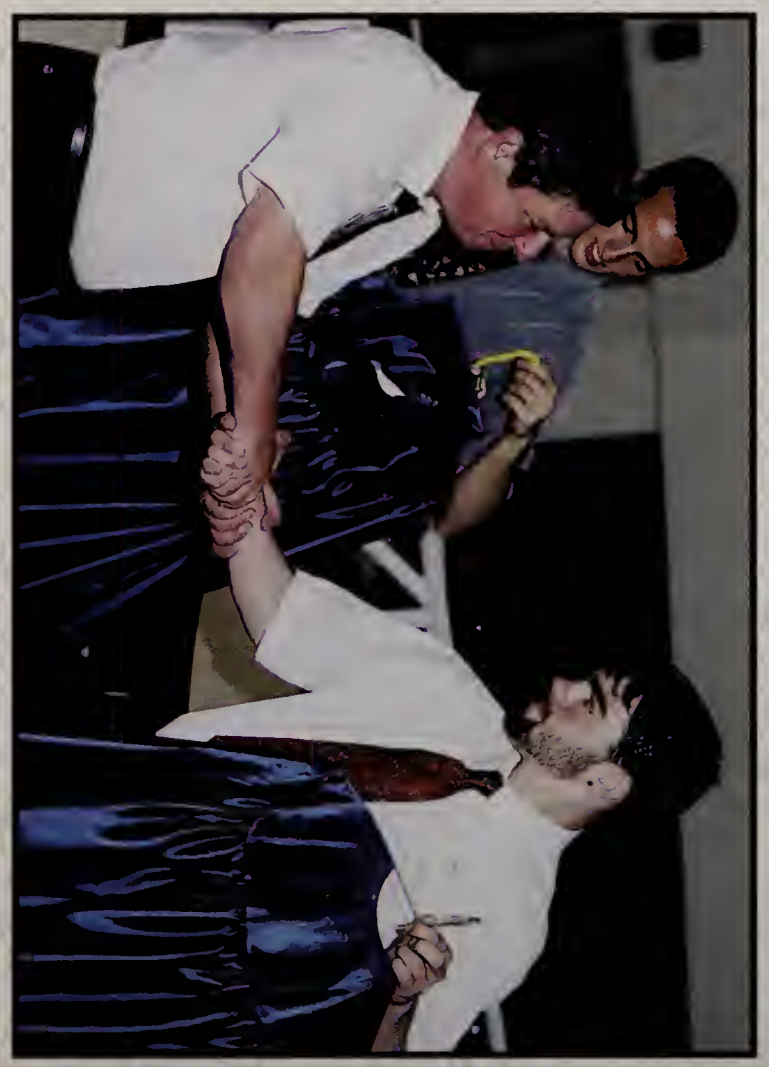
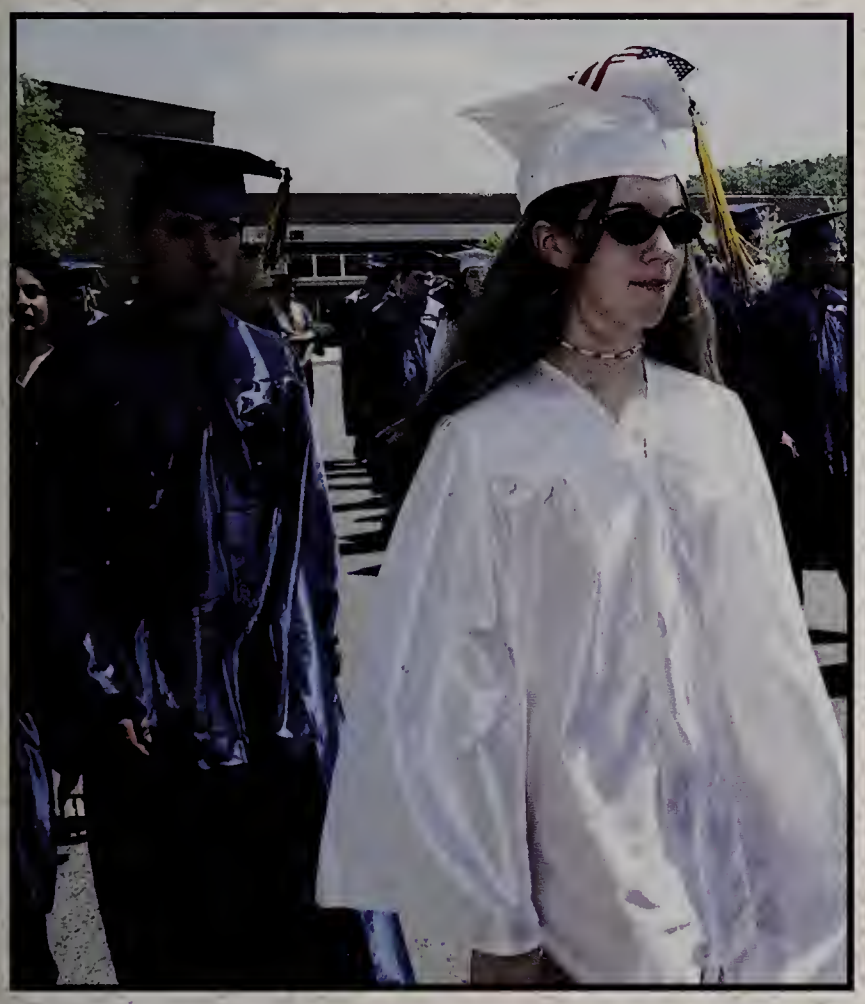
Graduation Ceremony





It is with both sadness and anticipation that we say goodbye to the Class of 2002. We know that they have many happy memories to reflect on - their time at Tri-County was well spent. We also know that they have many things to look forward to as well. We wish them the best as they venture out to follow their dreams. Continue to contribute to society, and continue to help one another. Stay in touch with your classmates, and keep up with them as they follow their dreams.

"My days of old have vanished, tone and tint. They have gone glimmering through the dreams of things that were. Their memory is one of wondrous beauty watered by tears and coaxed and caressed by the smiles of yesterday."

-General Douglas MacArthur
